AGRICULTURE WATER RIGHTS

AWN-2001-1

WHEREAS, water being the most precious natural resource to all of the Progressive 15 region, due to our agricultural based communities our water is the lifeblood of our prosperity, and

WHEREAS, the sale, transfer, or reallocation of water from agriculture use is of grave concern to the Progressive 15 region.

NOW, THEREFORE BE IT RESOLVED, Progressive 15 advocates the position that water issues are of utmost importance and agricultural water rights must be preserved.
